Subject: FW: Meeting with Administrator Bevenento

Suzanne,

Just a heads up that I will be trying to schedule this meeting request for April 19 or April 20.

Do you have any feedback for Doug? It will be difficult to have a pre-brief on this given his trips and current schedule but let me know if you think he will need one, or a paper will suffice, also who, if anyone should be invited to attend the meeting with Mr. Goranson and his group.

Subject: Meeting with Administrator Bevenento

Dear Ms. Moon,

Last week, on a call with Mr. Benevento, we discussed having a face to face meeting with him and some on the leadership team on the outcomes of a CERCLA Off-Site Review Inspection Report, that I discussed in a letter dated March 6th. He indicated that I should be hearing from you regarding scheduling that meeting. Given that he mentioned that he would be traveling last week, I wasn't sure if that had been set up yet. My schedule this week has gotten compressed. I have to travel to DC tomorrow, midday through Friday for other business, but I am available all next week.

Would anytime next week work for a meeting?

Best regards,
Paul Goranson
